

Table 3. Estimated Grants to Local Educational Agencies (LEAs) Under the Elementary and Secondary School Emergency Relief (ESSER) Fund Included in the Senate Substitute to H.R. 1319, the American Rescue Plan Act of 2021

(Dollars in thousands)

Source: Table prepared by CRS, March 15, 2021, based on unpublished data provided by the U.S. Department of Education, Budget Service and CRS analysis of the Senate substitute to H.R. 1319 as passed by the Senate on March 6, 2021. The language for the Senate substitute analyzed in this memorandum was made available on March 9, 2021 by the House Committee on Rules as Text of Senate Amendment to H. R. 1319 at

<https://rules.house.gov/sites/democrats.rules.house.gov/files/BILLS-117HR1319EAS.pdf>. **This table replaces Table 3 included with the CRS congressional distribution memorandum entitled "Estimated FY2021 Grants to State Educational Agencies and Local Educational Agencies Under the Elementary and Secondary School Emergency Relief (ESSER) Fund Based on the Senate-Passed Substitute to H.R. 1319, the American Rescue Plan Act of 2021" and released on March 8, 2021. These revisions correct inaccuracies stemming from a coding error that affected the previously prepared New York LEA estimates. All other estimated LEA grant amounts remain the same.**

Notes: Details may not add to totals due to rounding. Under the Senate substitute, state educational agencies (SEAs) would be required to use at least 90% of the funds received under the ESSER Fund to make subgrants to LEAs in proportion to each LEA's share of actual Title I-A grants made to all LEAs in the state during the most recent fiscal year (FY2020). States would have to make adjustments to LEA grant amounts to account for LEAs for which CRS was unable to estimate grant amounts, such as charter schools that operate as independent LEAs. Thus, the estimated LEA grant amounts detailed in this table may be higher than what an LEA would actually receive. Under the Senate substitute, LEAs would be required to reserve 20% of their ESSER Fund allocations for activities to address learning loss due to the COVID-19 pandemic. If an LEA has an estimated grant amount of \$0, the LEA did not receive a Title I-A grant in FY2020. Due to rounding, LEA totals for a given state may not sum to estimated state totals for formula grants to LEAs included in Column I of Table 2.

Notice: These are estimated grants only. These estimates are provided solely to assist in comparisons of the relative impact of alternative formulas and funding levels in the legislative process. They are not intended to predict specific amounts LEAs would receive. In addition to other limitations, data needed to calculate final grants may not yet be available.

Table 3. Estimated Grants to Local Educational Agencies (LEAs) Under the Elementary and Secondary School Emergency Relief (ESSER) Fund Included in the Senate Substitute to H.R. 1319, the American Rescue Plan Act of 2021
(Dollars in thousands)

Source: Table prepared by CRS, March 15, 2021, based on unpublished data provided by the U.S. Department of Education, Budget Service and CRS analysis of the Senate substitute to H.R. 1319 as passed by the Senate on March 6, 2021. The language for the Senate substitute analyzed in this memorandum was made available on March 9, 2021 by the House Committee on Rules as Text of Senate Amendment to H. R. 1319 at

<https://rules.house.gov/sites/democrats.rules.house.gov/files/BILLS-117HR1319EAS.pdf>. **This table replaces Table 3 included with the CRS congressional distribution memorandum entitled "Estimated FY2021 Grants to State Educational Agencies and Local Educational Agencies Under the Elementary and Secondary School Emergency Relief (ESSER) Fund Based on the Senate-Passed Substitute to H.R. 1319, the American Rescue Plan Act of 2021" and released on March 8, 2021. These revisions correct inaccuracies stemming from a coding error that affected the previously prepared New York LEA estimates. All other estimated LEA grant amounts remain the same.**

Notes: Details may not add to totals due to rounding. Under the Senate substitute, state educational agencies (SEAs) would be required to use at least 90% of the funds received under the ESSER Fund to make subgrants to LEAs in proportion to each LEA's share of actual Title I-A grants made to all LEAs in the state during the most recent fiscal year (FY2020). States would have to make adjustments to LEA grant amounts to account for LEAs for which CRS was unable to estimate grant amounts, such as charter schools that operate as independent LEAs. Thus, the estimated LEA grant amounts detailed in this table may be higher than what an LEA would actually receive. Under the Senate substitute, LEAs would be required to reserve 20% of their ESSER Fund allocations for activities to address learning loss due to the COVID-19 pandemic. If an LEA has an estimated grant amount of \$0, the LEA did not receive a Title I-A grant in FY2020. Due to rounding, LEA totals for a given state may not sum to estimated state totals for formula grants to LEAs included in Column I of Table 2.

Notice: These are estimated grants only. These estimates are provided solely to assist in comparisons of the relative impact of alternative formulas and funding levels in the legislative process. They are not intended to predict specific amounts LEAs would receive. In addition to other limitations, data needed to calculate final grants may not yet be available.
