Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Flagstaff's home energy retrofit program for low-income and vulnerable families in fiscal year 2022. The entity to receive funding for this project is the City of Flagstaff, AZ, located at 211 West Aspen Avenue, Flagstaff, Arizona 86001. The funding will enable the City of Flagstaff to retrofit between 80 and 120 homes for low-income and vulnerable families. These retrofits will provide two benefits, improving the affordability of housing in the city, and reducing the amount of energy used during Flagstaff's cold winters and hot summers. This is a valuable use of taxpayer funds because it will enable a rapidly growing community to address the needs of vulnerable communities. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Tom O'Halleran". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
